

Lessons

We all learn lessons in life. Some stick, some don't. I have always learned more from rejection and failure than from acceptance and success.

- Henry Rollins

The right mindset might not be enough. Knowledge of how to get to the desired destination can be essential. Think of it as a toolbox. If you have only a hammer you tend to see only nails. Life usually is more complex and requires a variety of tools to tackle different problems. To simply put it - “hammer” is not enough.

We want to give you this variety of tools and make them always available. It is mental models, recommendations from well-known books, articles and research. It is short, practical and with key takeaways. It is the best of what other people have already figured out.

It will teach you to look at problems that life throws at you from different angles and make better decisions and avoid mistakes.
